Dear Sir,

Sub - Cutoff date for Annual Inter Circle Transfer 2024

As per the Bank's Transfer Policy released for Scale I, II & III officers vide circular no ICOM/59/2024, Officers who have put in more than 3 years of active service outside their Home State, are considered for transfer back to Home State, if they communicate their desire for the same and that the same shall not be considered as a request transfer. For this purpose the cutoff date to determine the completion of term of 3 years has been fixed as 31st July 2024.

During the transfer season in 2021, we were facing the second wave of COVID 19 Pandemic and travel restrictions were in place across India. In view of the same, the transfer of officers in all cadres was postponed till the month of July 2021 and we are happy that bank has considered this scenario while framing the policy for this year.

However, we would like to draw your kind attention to about 2000 probationary officers whom the bank had recruited in 2021. They have joined their respective offices on 13.09.2021 subsequent to their training held in the month of August 2021. These officers who had joined our esteemed bank in 2021 will complete their term of 3 years only in the month of September 2024 and hence will not be eligible for transfer back to their home state if the cutoff date is fixed as 31st July, 2024. We further wish to bring to your kind notice that there are officers who were posted outside home state as per their postings and have spent almost a full term of 3 years and are falling short by merely a few days.

We humbly request to consider above scenario favorably and to kindly fix the cutoff date as 30th September 2024 so as to enable all the officers who joined their branches in 2021 be eligible to apply for transfer back to their home state and we request you not to consider their transfer as request transfer.

Thanking You

Yours sincerely,
Sd/-
